

Appl. No. 09/742,830
Amdt. dated 4/13/04

Remarks

This amendment is submitted under the provisions of 37 CFR 1.312 to correct inadvertent errors in the Specification and Claims. The amendment to the claims introduces previously numbered claim 10 which was inadvertently canceled in Paper No. 8, "Amendment After Final Rejection Under 37 C.F.R. § 1.116", facsimile transmission dated 12-May-2003 responsive to the restriction requirement, Paper No. 4. Claim 10 was included in the elected group and has been treated as such by the Examiner in Paper No. 4 and Paper No. 6. Therefore re-entry of this claim introduces no new issues. Since these changes require no further search nor material consideration by the Examiner, entry under the provisions of 37 CFR 1.312 is believed to be in order. Such favorable action is respectfully solicited.

The undersigned may be reached at (770) 587-8096.

Respectfully submitted,

Darryl Clark et al.
